Pilates - Pilates is an exercise program which improves muscle strength, control, flexibility and coordination through fluid body movements that utilize the spine and deep muscle groups.

Yoga - Focusing on movement corresponding with breath, this one hour class flows from one pose to the next improving strength, balance, as well as reducing stress and tension within the body. Utilizing modifications of the poses, yoga is appropriate for all fitness levels.

Senior Sneakers - Designed for our older clientele, this fun and exciting exercise class is specifically designed to improve cardiovascular fitness, balance, and flexibility and strength.

Tai Chi- This time-tested fitness program combines smooth and circular body movements with mental relaxation and focus. Tai Chi is a slow-paced, low-impact exercise that builds strength, increases flexibility and enhances balance.

Spin N Sculpt- This versatile workout includes our traditional Spin group cycle class followed by a combination of different aerobic and resistance training exercises designed to target your upper body and core.

Step and Shape 101- An introductory course to prepare you to take a step class. This class will focus to teaching you the basic moves of a step class.

Pool Activities

Hydro Sculpt- Hydro Sculpt is a full body water workout for participants of any level. The class combines a variety of exercise techniques such as; high intensity training with use of resistance equipment. With a focus on core, balance and stretching to end of each class.

Step and Strength - This low-intensity water exercise program is specifically designed for our senior members. This program includes exercises that improve joint mobility and relieve pain and stiffness for those with arthritis and other bone and joint issues.

Open Swim During open swim, both lap swimming and individual exercise are allowed. Please be respectful of other users to allow for efficient use of the pool.

Classes

During classes the pool is prioritized for group instruction under the guidance of an instructor. Individual exercise may be limited during these times based on the number of participants in the class. Members should follow the direction of the instructor.

Therapy

During therapy time the pool is open for general pool usage, excluding lap swimming. Therapy sessions may be conducted at 11:00am and 2:00pm. If you engage in individual exercise when therapy is being conducted please do not interfere with therapy sessions.
