IMPORTANT INFORMATION FOR OUR PATIENTS

Confidential Access to Your Own Personal Medical Record Information through *myUTHEALTH*

Have you forgotten when your next appointment is or what medications you're on?
Would you like to know what your test results are as soon as they are available or securely
email your doctor's office with a question?

You can have access to this information and much more online 24 hours a day, 7 days a week
using *myUTHEALTH* – your own personal medical record! To enroll, all we need from you is a
valid email address. Within 48 hours, we'll email you a link with instructions on how you can
complete your enrollment.
